

THE GOLDEN SEASON

The following results are from the 2005 softball season for the Shelled Slopitch team. Shelled is a group of 13 men, 11 players took the Nature's Gold for the 4 months of the season. Players ranged in age from 26-34 years of age. All players would be considered to be above average in health. 91% of the players noticed an improvement in their day-to-day health. While 100% of players statistically had an increase in their softball performance! The areas that people noticed in day to day health and how many people noticing them are listed in the graph below:

The softball team ranked 6th out of 8 teams in the league in runs scored after the first third of the season and at the end of the season the team had scored the MOST runs in the league. The team had averaged 13 runs a game in the first third of the season and averaged over 18 runs in the last third of the season. The team scored 40 more runs, than the average, as a total in the last 10 games of the season. The ball club in the first segment had 2 wins and 6 losses as a record, but finished with a 7 wins and 3 losses record in the last segment. The truly amazing fact was that the team as a group only raised the batting average by 105% but increased their homerun total by 304%. The team's amount of 2 base hits and 3 base hits also increased. Strikeouts went down 9% in the last segment also.

- 73% of player's energy levels improved during a night of softball.
- 40% of people sustained fewer injuries in the tested season compared to previous years.

Here are a couple of player's testimonials:

- *Nature's Gold has given me more energy & staying power for ball games. I find my energy level doesn't drop and I also have better sleeps.*
- *My wife & I had been trying to have a child for almost 2 years. The first month my wife and I started on the Nature's Gold we conceived. I also feel more energy overall by using the product.*
- *I had an eye bruise (blood clot) and the optometrist said 2 weeks to heal and while on the Nature's Gold it healed in 5 days!*

Talk about a "GOLD"en touch to a Great Season!
